Strengths	
<p>Authors have clearly articulated the objectives of the study with comprehensive background to the problem. And the manuscript shows the author's capacity in the statistical testing of the problem under discussion.</p>	
Weaknesses	
<p>The format of the paper should be written according to the journal setting and style.</p> <p>There are some grammatical mistakes found in the paper that need to be corrected.</p>	
Suggestions	
<p>For the publication I think that needs the authors results will be better finalized and widened.</p>
